***There is a war against women raging across the country.** Presidential candidates are speaking out in opposition to basic contraception. Anti-woman legislators around the country are trying to put more and more barriers between women and their reproductive rights. Wisconsin's governor just pushed through a repeal of his state's Equal Pay Enforcement Act. Even here in New York, we are having difficulty pushing a pro-woman agenda forward.*

Co-Sponsors for this event include:

Barnard Center for Research on Women
B'nai Jeshurun
